Academic Appointments

UCL School of Management, London, UK
Assistant Professor, Operations & Technology 2026 -
Princeton University, New Jersey, USA
Postdoctoral Research Associate, Operations Research & Financial Engineering 2025 - 2026
Advisor: Professor Bartolomeo Stellato

Education

Imperial Business School, London, UK
Ph.D., Operations Research 2020 - 2025
Advisor: Professor Wolfram Wiesemann
Fellowship: The Alan Turing Institute (2022-23 Enrichment Placement Student)
Ph.D. internship: JP Morgan AI Research (2023 Off-Cycle Research Associate)
Research visit: Professor Aharon Ben-Tal (Technion – Israel Institute of Technology)
M.Res., Operations Research and Business Analytics (Distinction – highest possible award) 2019 - 2020
Awards: Dean's List for Academic Excellence
Tilburg University, Tilburg, The Netherlands
M.Res., Operations Research (Koopmans Scholar, Cum Laude – highest possible award) 2017 - 2019
Advisor: Professor Dick den Hertog
Ozyegin University, Istanbul, Turkey
B.Sc., Industrial Engineering (High Honor – highest possible award; Computer Science minor) 2013 - 2017
Awards: Dean's List, ranked 2nd among 125 Faculty of Engineering graduates
Exchange: Queensland University of Technology, Brisbane, Australia

Research Interests

Topics: Data-driven decision making, decision making under uncertainty, ethical decision making via optimization
Methodologies: Optimization theory & algorithms, convex analysis, machine learning

Research Papers

Published Work - Journals

- Belbasi, Selvi, Wiesemann (2026). It's all in the mix: Wasserstein ML with mixed features.
Manufacturing & Service Operations Management (forthcoming).
- Selvi, Liu, Wiesemann (2025). Differential privacy via distributionally robust optimization.
Operations Research.
 - ★ *Second place for the 2024 George Nicholson Student Paper Competition*
 - ★ *Winner of the 2023 Imperial College Business School Best Analytics & Operations Student Paper Award*
 - ★ *Honorable mention prize for the 2023 INFORMS Optimization Society Student Paper Award*
- Selvi, Den Hertog, Wiesemann (2023). A reformulation-linearization technique for optimization over simplices.
Mathematical Programming [Short Communication].
- Selvi, Ben-Tal, Brekelmans, Den Hertog (2022). Convex maximization via adjustable robust optimization.
INFORMS Journal on Computing.
 - ★ *Winner of the 2021 INFORMS Computing Society Best Student Paper Award*
- Roebbers, Selvi, Vera (2019). Using column generation to solve extensions to the Markowitz model.
The Engineering Economist [Technical Note].

Published Work - Conferences

- Liu, Selvi, Wiesemann (2026). Mixtures of Gaussians in approximate differential privacy.
International Conference on Machine Learning (ICML).
 - ★ Accepted for presentation at the 2025 INFORMS Workshop on Data Science
 - ★ Accepted for presentation at the 2025 INFORMS Workshop on Data Mining and Decision Analytics
- Selvi, Kreacic, Ghassemi, Potluru, Balch, Veloso (2025).
Distributionally and adversarially robust logistic regression via intersecting Wasserstein balls.
Uncertainty in Artificial Intelligence (UAI).
 - ★ Oral presentation at UAI 2025 (top 2.8% of submitted papers)
 - ★ Accepted for presentation at the 2024 INFORMS Workshop on Data Science
 - ★ Finalist for the 2024 INFORMS Data Mining Society Best Student Paper Competition
 - ★ Corresponding US Patent Application by JP Morgan: US20250209339A1
- Selvi, Belbasi, Haugh, Wiesemann (2022). Wasserstein logistic regression with mixed features.
Neural Information Processing Systems (NeurIPS).

Ongoing Work

- Selvi, Tang, Kocyigit, Vayanos, Wiesemann. Room for improvement: Optimal and fair housing allocation.
- Selvi, Ben-Tal, Wiesemann. Maximizing the sum of maxima of convex functions.
- Selvi, Stellato. Data-driven and domain-aware decision making.
- Kuhn, Pauphilet, Selvi, Sen. Intersections of ambiguity sets in distributionally robust optimization.
- Häusner, Selvi, Stellato, Wang. Distinguishing conservatism from pessimism in robust optimization.
- Liu, Selvi, Wiesemann. Multi-dimensional optimization for high-dimensional privacy mechanisms.

Awards

Paper Awards

- **Oral Presentation:** 2025 UAI Conference
- **Second Place:** 2024 George Nicholson Student Paper Competition
- **Finalist:** 2024 INFORMS Data Mining Society Best Student Paper Competition
- **Honorable Mention:** 2023 INFORMS Optimization Society Student Paper Award
- **Winner:** 2023 Imperial College Business School Best Analytics & Operations Student Paper
- **Winner:** 2021 INFORMS Computing Society Best Student Paper Award
- **Honorable Mention:** 2019 INFORMS O.R. & Analytics Student Team Competition

PhD Awards

- **Winner (UK-wide):** 2025 Doctoral Award for ‘Most Distinguished Body of Research leading to the Award of a Doctorate in the field of OR’, The Operational Research Society
- **Finalist (internationally):** 2025 George Dantzig Dissertation Award
- **Winner (university-wide):** 2024 G-Research Imperial College London PhD [competition](#), £5,000 prize
- **Fully Funded Attendance:** [2024 NUS Next-Gen Scholar’s Symposium](#)
- **Fully Funded Attendance:** [2024 Georgia Tech ISyE Junior Researcher Workshop](#)
- **PhD Placement Award 2022:** 9-month placement at The Alan Turing Institute HQ in London, with a £1,500 financial allowance and £472.5 monthly stipends to support research
- **President’s Address 2022:** Named by Imperial College London president for global contributions
- **Dean’s Reception 2022:** Invite-only event by the Dean of Imperial College Business School

Research Grants

- **Innovate UK Grant 2026:** Awarded c. \$1M with Dragonfly for project:
“Secure Software for Resilient Growth”; project led by Onesun Steve Yoo (PI), with Yi-Chun Akchen (co-PI), Yuri Resende Fonseca (co-PI), and Aras Selvi (co-PI).
- **Columbia Global Award 2026:** Turkish Philanthropy Funds Resilience Initiative (\$150,000) for project:
“From Chaos to Clarity: AI-Driven Real-Time Request Tracking and Prioritization for Disaster Response”; project led by Lily Xu (lead PI), with Burcu Balcik (co-PI), and Aras Selvi (co-PI).

Travel Grants

- **SIAM 2026 Early Career Award:** registration and \$800 support for SIAM Conference on Optimization
- **UAI 2025 Scholarship:** complimentary in-person registration for the UAI Conference
- **G-Research Quant PhD Grant:** £500 grant supporting international conference travel [May, 2023].
- **Sargent Centre PhD Financial Support 2024:** £1,500 grant supporting PhD-related costs
- **Sargent Centre Research Travel Grant 2023, 2024, 2025:** £450, £300, and £400 worth of grant supporting international conference travel
- **SIAM 2023 Student Award:** registration and \$800 support for SIAM Conference on Optimization
- **NeurIPS 2022 Scholar Award:** complimentary in-person registration and Hotel stay for attendance

Reviewer Awards

- **Top Reviewer:** NeurIPS 2022, NeurIPS 2025
- **Best Reviewer Award:** ICML 2024
- **Outstanding Reviewer:** ICML 2022, ICLR 2022
- **Silver Reviewer:** ICML 2026

Teaching Awards

- **LSE Teaching Award 2024:** Recognized for ‘exceptional efforts’ by the Academic Staff Reward Committee

Pre-doctoral Awards

- **Dean’s List:** Imperial College London, Ozyegin University
- **Undergraduate Scholarship:** Ozyegin University Performance Scholarship (awarded to three students)
- **Alumni Award:** one of the 20 alumni who made a notable contribution to Ozyegin University (2017)
- **Graduate Scholarship:** Tilburg University Koopmans Scholarship, Imperial College London PhD Funding

Invited Talks

Academic Talks (Universities)

- Princeton University ORFE, Optimization Seminar April, 2026
- Columbia University IEOR April, 2026
- Johns Hopkins Carey, Brown Bag Seminar March, 2026
- NYU Stern, MOILS Seminar February, 2026
- University of Liverpool Management School
- Fall 2024 (job market) talks in reverse chronological order: Fall, 2024
 - Columbia University IEOR* (canceled due to logistics), *Stanford Graduate School of Business*,
 - UCLA Anderson School of Management*, *Sabancı University*, *Özyeğin University*, *Koç University*,
 - Frankfurt School of Finance & Management*, *INSEAD*, *UCL School of Management*,
 - Católica Lisbon School of Business & Economics*, *IESE Business School*, *Sydney Business School*
- Singapore University of Technology and Design August, 2024
- Rotman School of Management, Young Scholar Seminar (Virtual) June, 2023
- University of Amsterdam, Socially Intelligent Artificial Systems Seminar (Virtual) March, 2024
- Imperial College London, Computational Statistics and ML Seminar February, 2024
- The Sargent Centre for Process Systems Engineering November, 2022
- Imperial College London, Computing Seminar October, 2022
- Imperial College London, Operations Research Seminar May, 2022

Academic Talks (Specialized Invited Conferences)

- Workshop on Information and Learning (Paris, France) July, 2026
- Analytics for X & Next-Gen Scholars Symposium (Singapore) August, 2024
- Georgia Tech ISyE Junior Researcher Workshop (Atlanta, USA) April, 2024
- LBS Transatlantic Doctoral Conference (London, UK) May, 2023

Academic Talks (Conferences)

- SIAM Conference on Optimization (Edinburgh, UK) June, 2026
- INFORMS Optimization Society Conference (Atlanta, USA) March, 2026
- INFORMS Annual Meeting, 4 talks (Atlanta, USA) October, 2025
- International Conference on Stochastic Programming (Paris, France) July, 2025
- Uncertainty in Artificial Intelligence (Rio de Janeiro, Brazil) July 2025

- INFORMS MSOM Conference (London, UK)	June, 2025
- The European Technology & Operations Management Day (London, UK)	June, 2025
- London Operations Research Days (Oxford, UK)	April, 2025
- INFORMS Annual Meeting, 5 talks (Seattle, USA)	October, 2024
- International Symposium on Mathematical Programming (Montréal, Canada)	July, 2024
- PGM Days: Robust Optimization and Applications (Paris, France)	November, 2023
- INFORMS Annual Meeting (Phoenix, USA)	October, 2023
- SIAM Conference on Optimization (Seattle, USA)	May, 2023
- INFORMS Computing Society Conference (Tampa, USA)	January, 2022
- INFORMS Business Analytics Conference (Austin, USA)	April, 2019

Academic Talks (Webinars)

- EURO Online Seminar Series on OR&ML, YOUNG session	April, 2025
- European TOM Virtual Seminar Series	September, 2024
- Stochastic Programming Society. Junior Session	April, 2024
- Robust Optimization Webinars	March, 2023
- Imperial-LBS-UCL Brown Bag Seminar Series	January, 2021
- Robust Optimization Webinars	July, 2020

Industry & Public Talks

- Legal & General (Virtual)	June, 2024
- Pint of Science Festival (London, UK)	May, 2023
- AI UK 2023 Lightning Talks (London, UK)	March, 2023
- AI UK 2023 PitchFest Finals (London, UK)	March, 2023
- Alan Turing Institute #TuringConnections (London, UK)	November, 2022
- QuantumBlack - A McKinsey Company (London, UK)	June, 2022
- Boston Consulting Group GAMMA (London, UK)	May, 2022

Organized Sessions

- SIAM OP26, 12 speakers (Edinburgh, UK) (co-chaired with Daniel Kuhn, Mengmeng Li, Wolfram Wiesemann)	March, 2026
- IOS Conference, 9 speakers (Atlanta, USA; co-chaired with Amine Bennouna)	March, 2026
- INFORMS Annual Meeting, 4 speakers (Atlanta, USA)	October, 2025
- ICSP 2025, 8 speakers (Paris, France; co-chaired with Mengmeng Li)	July, 2025
- ISMP 2024, 16 speakers (Montréal, Canada; co-chaired with Mengmeng Li)	July, 2024

Attended Conferences

- Workshop on Information and Learning (London, UK)	June 2025
- The European Technology & Operations Management Day (Cambridge, UK)	June, 2024
- INFORMS Revenue Management & Pricing Conference (London, UK)	July, 2023
- Thirty-sixth Conference on Neural Information Processing Systems (New Orleans, USA)	December, 2022
- PhD Winter School: Data Science, Optimization and Operations Research (Zinal, CH)	January, 2022
- The Operational Research Society Annual Conference OR63 (Virtual)	September, 2021
- Tenth International Conference on Learning Representations (Virtual)	April, 2022
- Thirty-ninth International Conference on Machine Learning (Virtual)	July, 2022

Teaching Experiences

London School of Economics

Class teacher for a masters-level course (most recent student evaluations 4.8/5, n = 30)

- Algorithmic Techniques for ML (MSc Applied Mathematics, MSc Operations Research)	2020-2024
--	-----------

Imperial College London

Teaching assistant for masters and MBA courses

- Advanced Machine Learning (MSc Business Analytics)	2024-2025
- Mathematics and Statistics (MSc Business Analytics, MSc Business Analytics online)	2020-2023
- Optimisation and Decision Models (MSc Business Analytics online)	2021-2025

- Fundamentals of Database Technologies (MSc Business Analytics online) 2021
- Machine Learning (MSc Business Analytics online) 2021
- Big Data, AI & Machine Learning (MBA full-time, executive, online, weekend) 2021-2023
- Data Structures and Algorithms with Python (MSc Fintech, MSc RMFE, MSc Business Analytics) 2021
- Centre for Process Systems Engineering Optimisation Course for Professionals 2020

Quantitative assistant for MSc Business Analytics admissions

- Interviewing a selection of candidates 2020-2021
- Preparing & evaluating quantitative interviews for candidates and 2020-2022

London Business School

Teaching assistant for masters and MBA courses

- Decision and Risk Analysis (MiM) 2022
- Data Visualisation and Story Telling (Master in Analytics and Management) 2022
- Data Science for Business Analytics and Management (Masters in Analytics and Management) 2020-2023
- Data Mining for Business Intelligence (MBA) 2021
- Applied Statistics (Masters in Analytics and Management) 2022
- Data Analytics for Managers (MBA & MiM) 2022
- Decision Analytics & Modelling (Masters in Analytics and Management) 2023
- Business Analytics (MiM, MBA) 2023

Emeritus

Subject matter expert for online certificate course

- Imperial College Professional Certificate in Machine Learning and Artificial Intelligence 2021-2022

Tilburg University

Teaching assistant for masters and undergraduate courses

- Mathematics (BSc Social Sciences) 2019
- Decision Making for Business Analytics (MSc Business Analytics and Operations Research) 2018

Ozyegin University

Teaching assistant for undergraduate courses

- Operations Research I (BSc Industrial Engineering) 2017
- Productions Systems Analysis (BSc Industrial Engineering) 2017
- Physics 102 (All Engineering Undergraduates) 2016

Skills

Programming: Python, Julia, MATLAB, C++, R, Optimization Solvers, Machine Learning Packages, SQL, L^AT_EX
Languages: Turkish, Armenian, English

Memberships & Fellowships

- **Fellow:** Imperial Business Analytics, Data Science Institute (DSI)
- **Member:** Computational Optimisation Group at the Department of Computing (Imperial College London)
- **Board member (Past):** Graduate Student Society and MRes Education Committee of Tilburg University

Service

- **Journal Reviewer:** Operations Research (6), Management Science (7), Mathematical Programming (3), M&SOM (2), SIAM Journal on Optimization, Journal of Machine Learning Research (2), TutORials in Operations Research, Automatica, INFORMS Journal on Computing (4), Mathematical Programming Computation, Computational Management Science, Optimization Letters (2), Operations Research Letters (2), European Journal of Operations Research, Optimization Methods & Software, INFORMS Journal on Optimization

- **Conference Reviewer:** ICLR (2022 [highlighted reviewer](#), 2023, 2024), NeurIPS (2021, 2022 [top reviewer](#), 2023, 2024 [emergency], 2025 [top reviewer](#)), AISTATS (2022, 2023, 2026), ICML (2022 [outstanding reviewer](#), invited as a session chair, 2023, 2024 [best reviewer award](#), 2026), INFORMS Workshop on Data Science (2024, 2025), INFORMS MSOM Conference (2025), ACM EAAMO (2025), ACM EC (2026), ACM FAccT (2023)

- **Miscellaneous Service:** Judge for the INFORMS APS Student Paper Competition (2026, 2027)

- **Volunteer (Organizations):** Robin Code Turkey, Dreams Academy Istanbul, Hour of Code

- **Volunteer (Events):** NeurIPS 2022 Outreach Programme, AI UK 2023

- **Academic Ambassador:** Imperial College Business School's PhD Programme

Industry Experience & Summer Internships

PhD Associate Intern, JP Morgan AI Research (London, UK)	Summer 2023
Academic mentor on Data Spark Programme: KPMG UK , Chatham House (London, UK)	2019-2021
Pro bono consultant on analytics, major nonprofit organization (confidential due to NDA)	2021-2023
Intern, Coca-Cola Icecek HQ (Istanbul, Turkey)	Summer 2015-2016
Intern, Metro Cash & Carry (Istanbul, Turkey)	Summer 2016
Intern, Fiba Factoring (Istanbul, Turkey)	Summer 2014
Intern, Anchor Grup (Bucharest, Romania)	Spring 2014
